

The Rainbow Room Preschool is a distinctly Christian preschool. Our program is designed to meet the spiritual, educational, and physical development of your child. Our primary goal is to integrate Christian principles into the total program. We are dedicated to providing your child with a Christian centered education.

Eligibility

1. Children who are 4 years old by August 31st will be eligible for enrollment in the 4-year-old class.
2. Children who are 3 years old by August 31st will be eligible for enrollment in the 3-year-old class.
3. All children must be potty trained.

Spiritual Development

Bible stories, music, and simple moral lessons will be used to help your child experience the difference that Jesus can make in his or her life. Prayer will guide the teachers and students in their spiritual and educational growth.

"I have chosen the Rainbow Room for my children because of the connection to God that is still evident in their daily curriculum. I really like that my children's preschool development can blossom with a Christian perspective."

- Tammy Williams, parent

Personal Development

The emotional and social development of your child will be supported by our loving staff. Development of self-confidence and independence will be encouraged. Sharing and cooperation with other children as well as adults will be part of our learning process.

Physical Development

Large muscle coordination will be developed through games and musical expression. Small muscle coordination will be developed through activities such as cutting, peg boards, play dough, stringing beads, etc.

Educational Development

The Rainbow Room provides a structured learning environment that will allow your child to grow and think independently within a safe and secure setting. Your child will learn colors, shapes, letters, and numbers. Printing and phonics will be emphasized in the 4-year-old program with our literacy-based curriculum and center-related activities. In house field trips and theme-related lessons will be scheduled throughout the year. We also encourage the sharing of special talents from family members.
